1. It is RRV Enterprises, Inc. (hereafter referred to as "RRV Enterprises") policy not to use CPNI for any activity other than permitted by law. Any disclosure of CPNI to other parties (such as affiliates, vendors, and agents) occurs only if it is necessary to conduct a legitimate business activity related to the services already provided by the company to the customer. If the Company is not required by law to disclose the CPNI or if the intended use does not fall within one of the carve outs, the Company will first obtain the customer's consent prior to using CPNI.

However, RRV Enterprises cannot guarantee that these practices will prevent every unauthorized attempt to access, use, or disclose personally identifiable information. Therefore:

  - B. RRV Enterprises shall wait an additional seven (7) days from its government notice prior to notifying the affected customers of the breach.
  - C. Notwithstanding the provisions in subparagraph B above, RRV Enterprises shall not wait the additional seven (7) days to notify its customers if RRV Enterprises determines there is an immediate risk of irreparable harm to the customers.
  - D. RRV Enterprises shall maintain records of discovered breaches for a period of at least two (2) years.
3. All employees will be trained as to when they are, and are not, authorized to use CPNI upon employment with the Company and annually thereafter.
  - A. Specifically, RRV Enterprises shall prohibit its personnel from releasing CPNI based upon a customer-initiated telephone call except under the following three (3) circumstances:
    1. When the customer has pre-established a password.
    2. When the information requested by the customer is to be sent to the customer's address of record, or
    3. When RRV Enterprises calls the customer's telephone number of record and discusses the information with the party initially identified by customer when service was initiated.
